

AMENITY ZONED LANDS DESIGN RATIONALE
 The landscape design of the zoned amenity lands located between the proposed access road and the Canal aim to provide a safe and high functioning open space that provides amenity for all ages.
 This space strategically provides future access to the proposed pedestrian and cycle route along the greenway providing a link to the Canal Basin and town centre.
 The existing mature overgrown hedgerow and trees within are to be retained and protected during the course of all construction works in accordance with BS 5837:2012: trees in relation to construction.

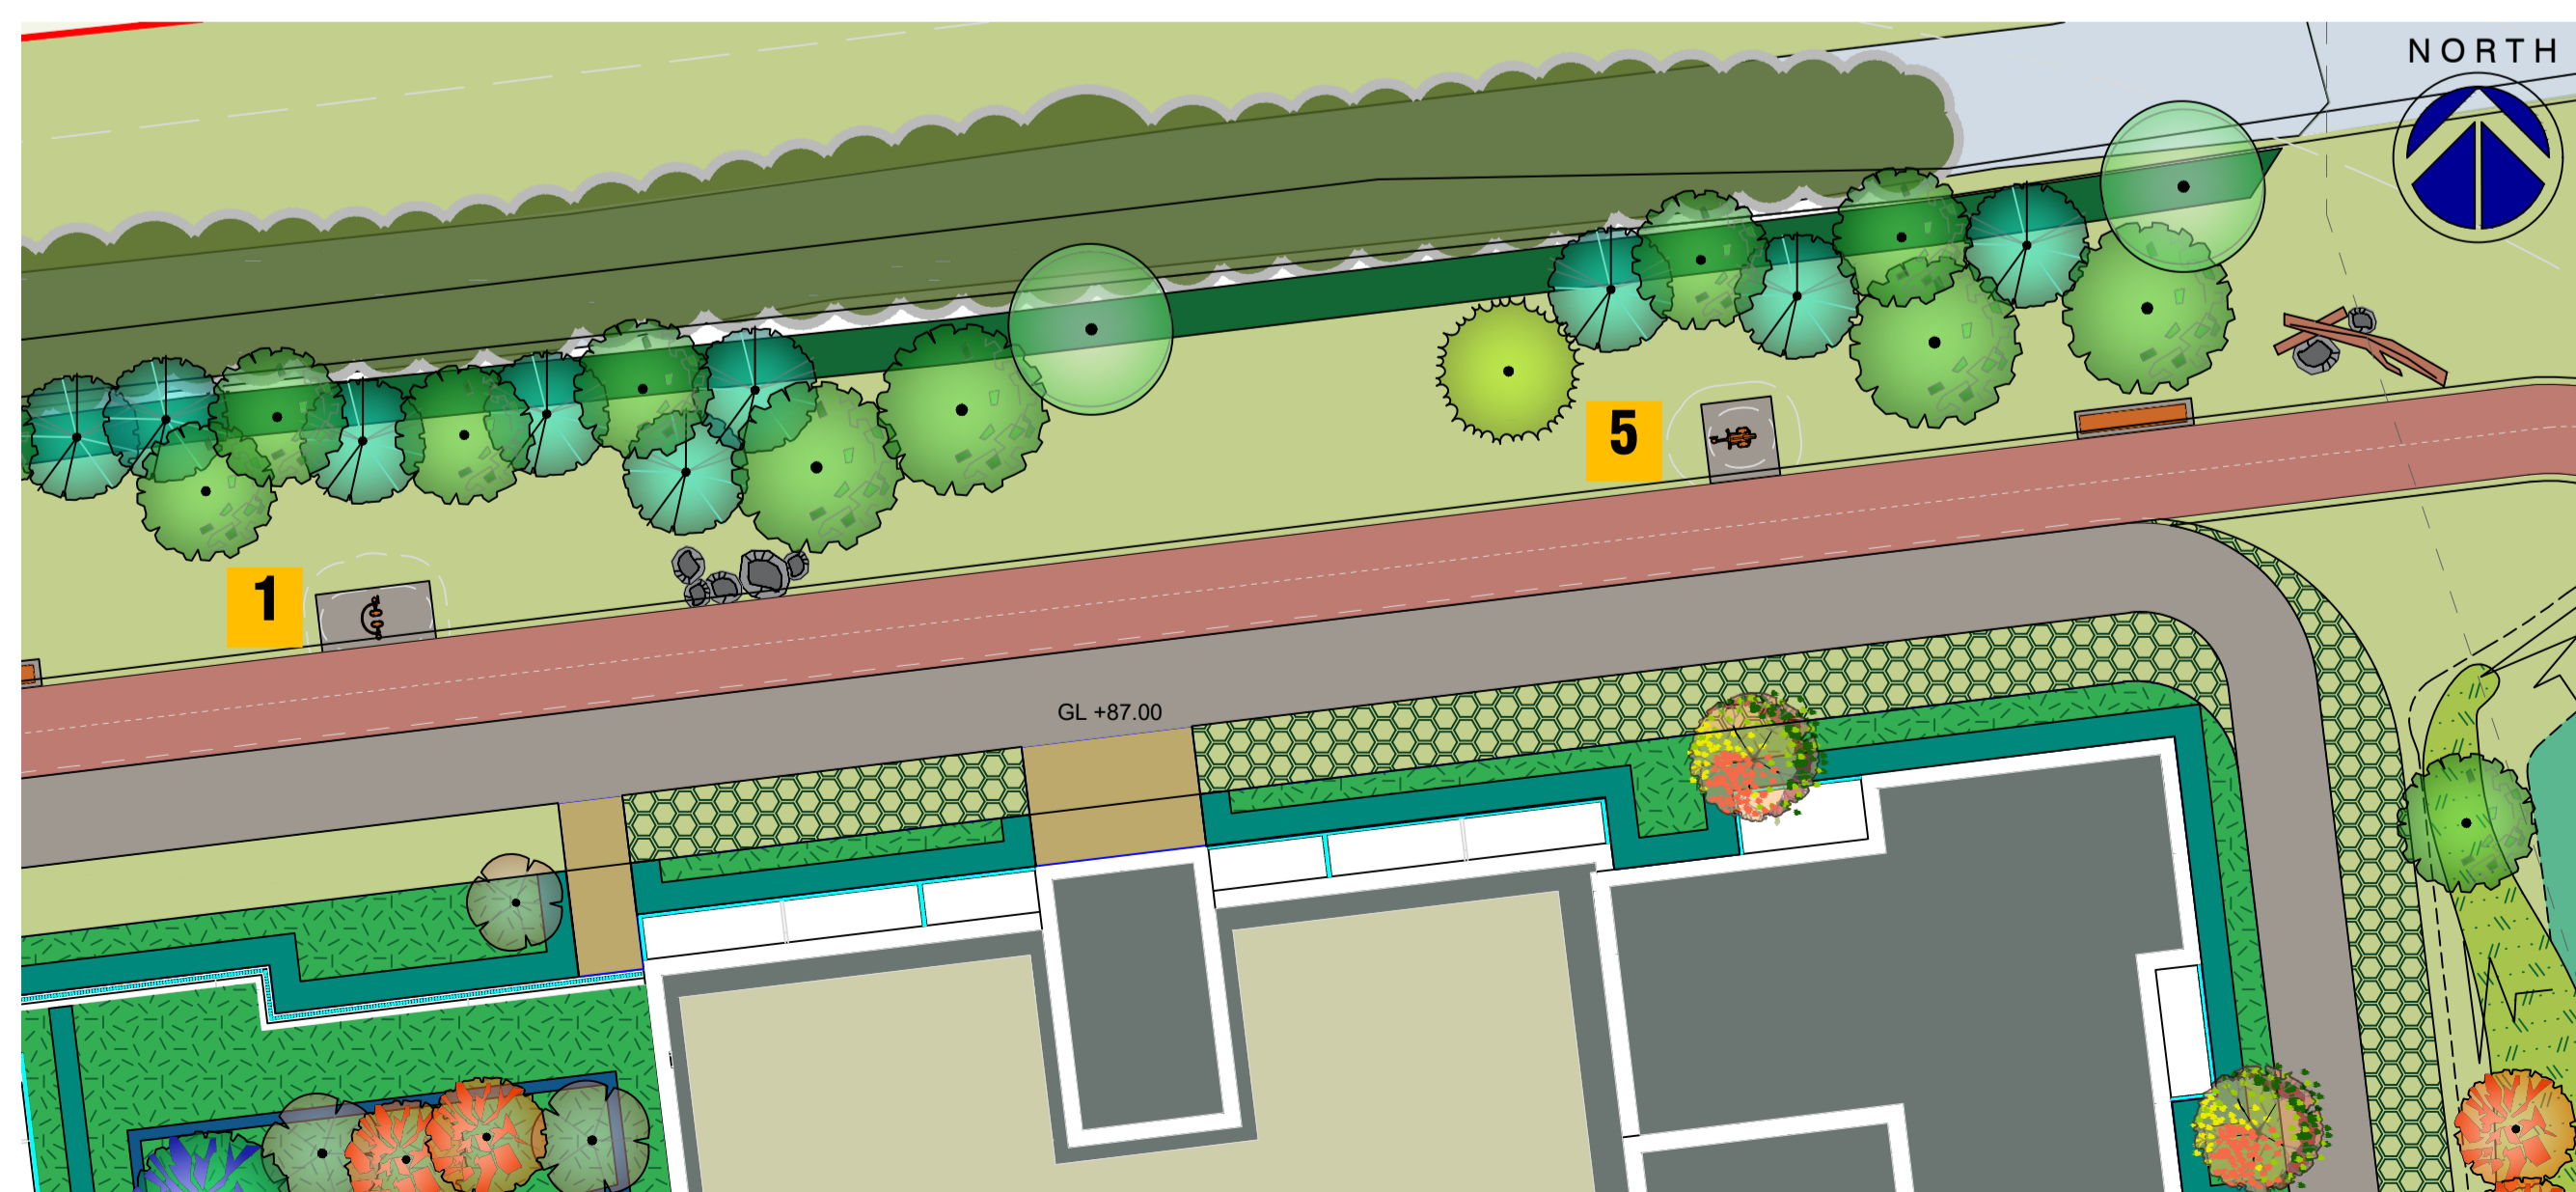

Play for young and older age groups comprising grassy mounds, boulders, logs and play equipment located along the pedestrian route.

Meeting Point/Hangout area for older children/teens.
